

TF1 COMPACT INSTALLER'S PACK

- TF1 Compact is ideal for small spaces or restricted access
- No need to drain down the system with Fernox Express
- Fernox Express doses in 30 seconds to save time spent on site
- Best-in-class engineering, formulations and innovative design
- As with all magnetic products, if you have an implanted cardiac device extra caution should be taken at all times when handling any Fernox TF1 filter

Product Description

Fernox has packaged together the ultimate three-stage approach to protect against corrosion, limescale build-up and system breakdown. The pack contains a TF1 Compact, 1 x Cleaner F5 Express 280ml and 1 x Protector F1 Express 265ml providing the complete solution to cleaning and protecting a central heating system.

Product Specification

Protector F1 Express 265ml

- Protects against corrosion and limescale
- Maintains system efficiency

Cleaner F5 Express 280ml

- Removes sludge and scale and restores heating efficiency
- Removes flux residues and other debris

TF1 Compact Filter 22mm

- Compact design allows of installation in space restricted areas
- Unique action, removes magnetic and non-magnetic contaminants

Carbon Footprinting

Fernox has worked with the Carbon Trust to measure the carbon emissions of the Fernox TF1 Compact. We have undergone rigorous carbon analysis to enable the TF1 Compact to carry the Carbon Reduction Label.
